Dearest Nancy,
I never have
had as much fun
before you came to Menard. You have
really been a pleasure to know you, and
your family. Really, I believe will have
as much fun next year as Sophomores,
as I will. I hope you'll have as much fun next year
as I will.

I love you,
Niane

Dearest Nancy,

I can't put into words the way I feel about you. But I'll try. We haven't known each other very long, but it seems like a lifetime. We have had a lot of fun together and I hope we will keep on having fun together.

These last months since you moved here have been very short indeed. It seems like only yesterday you moved here. I think you are one of the cutest and sweetest girls I have ever known. Keep on being as sweet and nice as you are now. And "wemembul" (remember) our little saying. May the very best life has to offer be yours forever.

All my love,
Jim

Nancy,
Josh & I

was. Really cute
